DESIGNING SPACE FOR LIFE

Welcome Home!

These exceptional Furniture Packages have been designed by Andrea Lawrence Wood, one of the most highly respected designers in the West. Because Andrea has personally selected every fabric, every furnishing, and every piece of artwork, you have the added value of having Andrea as your designer without having to hire her. The ALW Furniture Packages are not the same tired furniture store look but instead are a fresh, sophisticated, new look at how a resort residence can be furnished reasonably, with great style, and a high level of design.

The ALW Furniture Packages respond to the most current architectural styles and are a level beyond what is expected for standard furniture packages that are seen in western resorts. You will have the advantage of not being limited to the use of a line of “stocking dealer” furnishings. Instead, every piece of furniture, rugs, artwork and fabric has been thoughtfully curated from hundreds of vendors.

You are invited to talk with Andrea Lawrence Wood about your specific unit, pricing, and the process. Her contact information is included below.

Get ready to impress yourself!
